Creative Italian Storytelling: from literature to Cinema to other Forms of Fiction

PROF. MARA PERBELLINI

OVERVIEW

Area: Cultural Studies

Dates: 3 – 27 July (4 weeks)

Campus: Milan

Course Number: LT/AR 320

Term: Summer School 2018

Credits: 6 ECTS

COURSE DESCRIPTION

Adaptations have long been a mainstay of Hollywood, Cinecittà and the television networks. Many of the most successful international films are indeed adaptations of novels, plays or true-life stories.

We will analyze important adaptations for the seventh art, understanding the changes from the source material to the new text and identifying the resistance of literature and true life story.

This course includes a creative experience: the screenwriter's lab. Each student will be given tools to write a short film screenplay.

This course provides the student with a new knowledge of Italian humanities, from literature to cinema to biography. It is a great opportunity to discover the Italian culture through the arts of time: literature and screenwriting. And also a great opportunity to learn creative techniques in writing.
